

Dear Exhibitor: We are interested in your business becoming a vendor at our fair. During our 2021 Redwood County Fair we saw an attendance of over 20,000! **Set-up is Thursday, July 14th 10am to 4pm. DO NOT SHOW UP EARLY TO SET UP.** The exhibits will be open Thursday 5-9pm; Friday and Saturday 10am to 9pm; and Sunday Noon to 4pm. The Fair will run Thursday July 14th through Sunday July 17th. We will only be accepting one vendor per category, to keep with the “no compete” policy. We are only allowing single booth sizing this year to help with spacing requirements. Please return your completed application with your ST19 Operator Certificate of Compliance ASAP to reserve your place. The fee per exhibit booth is \$100. There will be a mandatory “Early Teardown Deposit” of \$50 (refundable) which will not be cashed, but will be held until 4pm Sunday July 17th, at which time it will be returned to all exhibitors who are still manning their booths, as long as they setup their booth between 10am-4pm on Thursday. Please make checks payable to *Redwood County Fair*. There is limited space available so please make sure to get your fee and paperwork in as soon as you are sure you will be interested in renting a booth. Chairs & tables are not provided. With your Exhibitor Fee you will also receive (1) Vendor Admission Wristband. Extra Admission wristbands are available for purchase in the fair office for \$20. When you arrive to setup at the fairgrounds, check in at the south gate, drive to the fair office where you will receive your wristband and information packet, unload your items, and go park in the main parking lot. Fairground parking passes are available for purchase at an extra charge of \$40. **Your vehicle will be towed at your expense if you park in the fairgrounds throughout the fair without a parking pass.**

Tote Bags: Thursday at 5pm we will open the doors to the Commercial Exhibit Buildings. At that time the first 50 adults in the door will receive tote bags filled with items from our vendors, local businesses, and the fair. We would ask for you to give at least 25 small items for these bags, so you can promote your booth and your business! We will also have kiddie bags handed out to the first 50 kids in the exhibitor building. Hoping you can donate at least 25 items to each the adult bags, and 25 items to the kiddie bags. Most vendors want to be in every bag for advertising purposes, which we greatly appreciate! Make sure to have your items to the exhibit coordinator by 3pm Thursday July 14th, 2022.

Daycare Day 10am-Noon: Friday of the fair is "Daycare Day". We invite all of the Daycares in Redwood County and surroundings counties to bring their kids to the fair. We are inviting the vendors to have things at their booth for the kids. This is not mandatory, but highly suggested to help promote your booth! If you decide to participate you would be asked to have a piece of candy, coloring sheet, or small item for approximately 400 kids, between the ages of 2-10. Make sure to have your business name/contact info printed on a label, attached to each piece of candy/item so that the parent’s see what vendors we have in our booths! This will intrigue parents to walk through our vendor booths when they bring their kids back out to the fair later on.

We will have fun characters on the fairgrounds throughout all of fair week! Some that may attend are Paw Patrol, Mickey Mouse, Minnie Mouse, and Chance the Cardinal. Don’t forget that with your booth fee you will have free admittance to watch all of the bands perform. This includes the Rodney Atkins concert! More details to come!

Covid: We will abide to any state mandates. We will keep in touch with you regarding any changes as they arise. Please keep in mind that space is limited. Those who respond first and mail me their application with check first, will have their booth space reserved.
